Sarah's Stitches

Submitted by Sarah W

I am so sorry that I had to miss the February meeting, but getting my passport back from the shiny new American Embassy in London took a little longer than expected so couldn't get a flight back in time.

Thank you to Lenora for covering for me, I hope you all learnt a lot with the stitches redo-classes that made up the program, don't worry Peggy and Joan will share their Playground classes with you later in the year. Being able to get on the calendar for those sessions does get us noticed, encourages people to stop by the booth and the team at Knitting Universe appreciate us volunteering at the event.

At the end of March is the LA Yarn crawl (26th to 29th) which only has 16 stores this year. We lost a few last year including A Major Knitwork, Twist, Needlepoints West and Compatto so please support your LYS whenever possible.

Hope a few of you have blanket squares progressing, if you want help with any of the square patterns issued (or your own) come to sit n knit or stay for the program this month, bring your finished squares so we can see your progress.

Keep well and stitching on

March Program – WIP Into Shape

Lenora Francois Stewart

Kathy B and I enjoyed demonstrating and teaching the February program. If you were unable to stay and learn, the handouts are available on the website.

For March, let's WIP Into Shape by working on KAL/CAL-isthenics. That's right. We are going to get our A-Long projects into shape!
